

Green Bean Buddy All In One Pest Control

A mild formulation with naturally-derived ingredients that aids in the elimination of bed bugs, fleas, ticks, cockroaches, ants, millipedes, and carpet beetles within 5-10 minutes after application and prevent re-infestations for up to 30 days when used in accordance with label directions.

- Helps eliminate listed insect infestations without harsh pesticides
- Safe around people and pets with immediate access to treated areas
- Has no known negative effects to people, pets, or plants
- Used by professionals to cut labor costs
- 100% biodegradable
- Will continue to kill listed insects for up to 30 days after application.
- Covers up to 1200 square feet or a room the size of 30 ft. x 40 ft.

DIRECTIONS FOR USE:

SHAKE BOTTLE VIGOROUSLY PRIOR TO APPLICATION.

DURING APPLICATION SHAKE BOTTLE VIGOROUSLY EVERY 10 TO 15 MINUTES.

Preparing the area to be treated: Remove all debris from all floors, closets, drawers, shelves, cabinets and other enclosed areas. Vacuum carpets and place vacuum bag and debris into tightly sealed plastic bags and dispose of promptly. Move all furnishings away from walls to allow access. Remove all drawers from all furniture and place drawers on end so the inside and underside of all drawers are exposed. Remove all cushions and pillows from all chairs and couches. Close all drapes so the surfaces may be sprayed. Remove any headboards and headboard supports, pictures, wall hangings and any other fixtures so GREEN BEAN BUDDY can be applied to all surfaces. Remove all bedding and pillow cases from all beds, place in plastic bags and launder. Replace after treatment has been completed. Separate the box spring from the mattress so the entire bed frame, its railings and wheel or support assemblies are exposed. Remove cloth from bottom of box spring and spray inside box springs. Carefully dispose of cloth as it may harbor eggs. Turn off any fans or forced air units during treatment.

Place trigger sprayer into bottle. Be sure sprayer is completely seated. Be sure sprayer is off. Turn sprayer to setting for applying a mist, not a stream. Apply to all surfaces. Porous surfaces should be sprayed so they are just damp, not to saturation. Carpets should also be sprayed. In rooms or areas with limited carpeting, cracks and crevices should be treated with the sprayer set to a stream setting. Surfaces should be allowed to dry before reoccupying the treated area. Hold nozzle back 30 inches from spray area. Keep sprayer moving at a rate of 3-4 feet of area per second. Do not overlap treated areas. Treat all surfaces

ACTIVE INGREDIENTS:	
Soybean Oil	0.78%
Cinnamon	0.09%
OTHER INGREDIENTS:	
Sodium Benzoate (as preservative)	0.78%
Calcium Silicate	0.78%
Aluminum Sodium Silicate	0.59%
Iron Oxide	0.49%
Magnesium Silicate	0.48%
Water	96.01%
TOTAL	100.00%

CAUTION: KEEP OUT OF REACH OF CHILDREN
See Back Panel for Additional Cautions

including drapes, drawer surfaces, furniture joints, baseboards and other surfaces in the room. Be sure to treat all sides of surfaces on cushions, mattresses, bed springs, drawers, etc. For carpets, start with all areas underneath or covered by beds, couches, chairs and treat as above with the mist setting. Then treat all other carpet areas starting with the area farthest away from the exit, working towards the exit door.

Once all surfaces have been treated, allow sufficient time for GREEN BEAN BUDDY to dry. Once all surfaces are dry, replace all furniture, drawers, etc. to proper locations. Place freshly laundered bedding on mattresses and pillows. Lightly spray bedspread or comforter.

PPE: Recommend latex or rubber gloves and protective eye wear.

FIRST AID TREATMENT: Avoid skin or eye contact. If eye contact occurs, rinse thoroughly with water for 15 minutes. If irritation persists, seek medical attention. Do not ingest. May cause gastrointestinal irritation with nausea and diarrhea.

Limitation of Liability: Green Bean Buddy LLC makes no warranties of merchantability, or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label and precautionary statements.
